Yosry Tarie Abdelsadek Abdelsadek Aboumekawy

Shuttering Carpenter

Nationality: Egyptian
Date of Birth: 03/02/1992
Passport No.: A34601053
Date of Issue: 27/07/2023
Date of Expiry: 26/07/2030
Address: Belbeis, Sharqia, Egypt

Professional Summary

Highly skilled Shuttering Carpenter with over 12 years of experience in reinforced concrete formwork across Libya and major construction projects in Egypt, including the New Administrative Capital. Expert in structural formwork assembly, blueprint interpretation, and precision alignment while maintaining strict safety and quality standards. Dedicated to delivering durable, high-quality concrete structures on schedule.

Professional Experience

Shuttering Carpenter | Al-Ramahin Company **2023 – Present**

- Lead formwork preparation and reinforced concrete carpentry for ongoing structural projects.
- Supervise installation of wooden and metal shuttering systems ensuring structural integrity.
- Optimize workflow efficiency by applying advanced measuring, leveling, and alignment techniques.

Shuttering Carpenter | 10th of Ramadan, El Robiki, 6th of October, New Administrative Capital **2019 – 2023**

- Executed large-scale formwork systems for industrial, residential, and governmental mega projects.
- Installed and dismantled complex shuttering systems ensuring precise concrete shaping and alignment.
- Collaborated with engineers and site supervisors to meet tight deadlines without compromising quality.

Freelance Shuttering Carpenter | Libya **2013 – 2018**

- Constructed and assembled reinforced concrete formwork for residential and commercial buildings with high structural accuracy.
- Interpreted engineering drawings to execute columns, slabs, beams, and foundations efficiently.
- Maintained strict compliance with safety standards, reducing material waste and improving site productivity.

Skills

- Reinforced Concrete Formwork
- Shuttering & Formwork Systems (Wooden & Metal)
- Blueprint & Engineering Drawing Interpretation
- Column, Beam, Slab & Foundation Formwork
- Structural Alignment & Leveling
- Concrete Pour Preparation
- Scaffolding & Site Safety Compliance
- Material Optimization & Waste Reduction
- Strong Attention to Detail
- Team Collaboration
- Time Management
- Problem Solving
- Ability to Work Under Pressure
- Leadership & Site Coordination
